Bachelor of Information Technology | Pune Vidyarthi Griha's College of Engineering | Location: Nashik

GitHub: pritesh-sonar | LinkedIn: Pritesh Sonar

Professional Summary

Results-driven Software Engineer with a strong foundation in C++, Java, and modern web technologies, complemented by hands-on experience in React.js, Spring Boot, Node.js, and AWS Cloud. Skilled in the software development lifecycle (SDLC), secure coding practices, debugging, and code reviews, with proven ability to deliver clean, maintainable, and scalable solutions. Experienced in building full-stack applications and machine learning models, demonstrating innovation and problem-solving across diverse domains. Certified AWS Cloud Practitioner and Google UX Designer, with a track record of solving 200+ coding challenges and achieving institute rank 11 on GFG. Adept at collaborating with cross-functional teams, applying design thinking principles, and continuously improving development processes. Passionate about contributing to high-quality networking and AI-driven solutions while growing expertise in embedded systems and networking protocols.

Education

Bachelor of Information Technology

Pune Vidyarthi Griha's College of Engineering, Nashik

CGPA: 8.68/10

may 2021 – Jun 2025

Higher Secondary Certification (HSC)

Dadasaheb Digambar Shankar Patil Collage, Erandol

Percentage: 83%

Jul 2020 – Jun 2021

Secondary School Certificate (SSC)

Talai Madhyamik Vidhyalay Talai

Percentage: 86%

Jun 2018 – Jul 2019

Technical Skills

- **Programming Languages:** C++, Java, JavaScript
- **Technologies/Frameworks:** React.js, Spring Boot, Node.js, HTML5, CSS3, SQL, Bootstrap
- **Tools & Platforms:** Git/GitHub, VS Code
- **Additional Knowledge:** AWS Cloud, SDLC, Code Review, Debugging, Problem-Solving
- **Coursework:** Data Structure and Algorithms (DSA), Database Management System (DBMS), Operating Systems, OOPS Concepts, Cloud Computing, Web Development

Experience

Software Engineer

LTM lmt.

Dec 2025- current

- Completed the 3 months of hands-on training in JAVA-AWS domain.
- build the Web application for bakers and consumers.
- Participated in code reviews and implemented debugging and troubleshooting.

Frontend Intern

IBM SkillsBuild (Virtual)

Jun 2024 – Aug 2024

- Developed and maintained responsive web applications using HTML, CSS, JavaScript
- Collaborated with cross-functional teams and followed SDLC best practices.
- Participated in code reviews and implemented debugging and troubleshooting.

Fullstack Intern

NetLeap, Nashik

Dec 2023 – Jan 2024

- Built and deployed full-stack applications using Node.js, Express.js, and MongoDB.
- Implemented clean, efficient, and maintainable code with debugging and troubleshooting.
- Developed an Agriculture Management System to support farmers.

Projects

Portfolio [Demo]

Apr 2026 – May 2026

- Developed and deployed a functional PortFolio website using MERN stack ensuring responsive design and clean code
- Implimented advanced concepts like Pagination, Lazy-Loading, etc;

CakeCraft	<i>Dec 2025 – Feb 2026</i>
Developed and deployed a functional Cake shopping and inventory management app using ReactJS and Spring Boot ensuring responsive design and clean code	
Ultimate Precision	<i>Jan 2025 – Jul 2025</i>
Built a Machine Learning model using CNN, LSTM, ResNet50 achieving high accuracy in detecting violence.	
Krushik Sevak Website	<i>Dec 2023 – Feb 2024</i>
Created a platform for farmers to connect globally using HTML, CSS, JavaScript, Node.js, Express.js, MongoDB.	
Notes App [Demo]	<i>Sep 2025 – Sep 2025</i>
Developed and deployed a functional Notes App using ReactJS and Node.js ensuring responsive design and clean code	

Achievement and Awards

Coding Practice	
- Solved 210+ coding problems on GFG coding platform , Institute rank 11 (Profile). - Solved 100+ coding problems on LeetCode coding platform , (Profile).	
Google UX Design Certification	<i>Oct – 2023</i>
Completed the certification course offered by Coursera on UX design.	
AWS Certification	<i>Mar – 2026</i>
AWS Certified Cloud Practitioner.	
NPTEL Certification	<i>Aug – 2024</i>
Completed NPTEL certification about leadership and team effectiveness
